EXPERIENCE

Hybrid Mobile Application Developer

Essence Group

📅 03/2022 - 07/2023 📍 Remote

Product Company

- Developing a hybrid mobile application from scratch, using the latest versions of Angular and Ionic for cosmetic niche needs

Full Stack Developer

Motion Software

📅 08/2021 - 03/2022 📍 Remote

Outsourcing Company

- Has been promoted to Full Stack MEAN Developer to maintain and add new features for the website of the same coaching company, adding ExpressJS, MongoDB and NodeJS to the Front End stack, which lead to about 50% increased coaching sessions sales

Front End Developer

Motion Software

📅 05/2021 - 08/2021 📍 Remote

Outsourcing Company

- Maintaining and building new features for a leading coaching company, using HTML5, CSS3, JavaScript, jQuery, Angular, WordPress, PHP (for the WordPress needs), which lead to better UX and performance

Angular/Ionic Developer

Bulpont Ltd

📅 01/2019 - 12/2020 📍 Remote

Software company

- When my Angular training was certified, I was promoted to build and maintain a couple hybrid applications, using mainly Ionic and Angular
- Used Ionic Pro (now named Appflow) for live deploying without the need to update the versions in the Play Store
- Was constantly improving my Ionic skills through Simon Grimm - paid membership at ionicacademy.com
- Developed 5 apps (4 of which still live in Google Play), used by hundred of users

Front End Developer

Bulpont Ltd

📅 05/2017 - 01/2019 📍 Remote

Software company

- Building and maintaining custom websites mainly for big Austrian companies, using mainly HTML5, CSS3, JavaScript, jQuery

SUMMARY

Front End Developer with 6+ years of experience in building websites and hybrid mobile apps with great usability, less bounce rate, but higher conversion rate, using clean, reusable and well commented code.
Proficient with the tools and the technologies mentioned below in the Skills section.
Focused on how to improve my work and doing it the best way I can, while continuously looking for new ways to grow and expand my skill set.
Worked with big companies in Bulgaria, Austria, Israel and the United Kingdom, which lead to faster understanding and implementing the business goal, the main point and the details.
